DISCOVER HELISKIING: THE ULTIMATE POWDER SKI WEEK IN BRITISH COLUMBIA WITH SQUAREMILE.COM & OLYMPIC LEGEND GRAHAM BELL

What better way to celebrate the New Year this winter than indulging in the ultimate powder skiing adventure brought to you exclusively by the Squaremile.com Travel Club. Together with our friends at Total Heliski you will be whisked off to one of the most exclusive ski resorts in the world, Whistler in British Columbia, Canada, to warm up on the slopes ahead of a four-day heliskiing masterclass with former World Cup legend Graham Bell.

This Squaremile.com Travel Club adventure is for both experienced and new heliskiers. "You are skiing the same types of mountains and runs as you would ski if you went off-piste in a resort," says Total Heliski's CEO, Hayley Melidonis. "But with heliskiing, the experience is so much more exhilarating because you are skiing only fresh tracks." If the idea of guaranteed powder skiing all day long appeals, then this is the trip for you.

After Whistler, you will be taken to the Yellow Cedar Lodge in the Skeena Mountains in Northern British Columbia to ski "where it's deeper", as the locals say. You will enjoy four days of off-trail, downhill heliskiing in a natural untouched mountain top environment. You will be ferried to the best snow by helicopter with your host, five-times Olympic skier, and host of TV's *Ski Sunday*, Graham Bell.

The warm, tranquil atmosphere of the lodge offers the chance to socialise and be pampered. Relax in the hot tub, or spoil yourself with a massage. Full board gourmet catering will be on hand to satisfy hungry bellies around the clock as well as a suitably lavish New Year's Eve celebration.

The Squaremile.com Travel Club Heliskiing Adventure includes:

- Return flights from the UK to Canada (upgrades available)
- Three days' skiing in Whistler, British Columbia
- Accommodation in the five-star Fairmont Chateau, Whistler
- Four days heliskiing in the Skeena Mountains, BC
- Accommodation and full board at the Yellow Cedar Lodge
