

TOTAL HELISKI'S HIMALAYAN HELI ADVENTURES 2012

Join the Total Heliski team in this mind-blowing heliski experience that will surely make you crave for more! You get to ski the wonderful terrain of Manali and at the same time, take a peek at India's rich and colourful culture.

At a glance

Departs	February 11-18, 2012
Trip Length (Days)	7 days
Summary Itinerary	A normal day of heli skiing starts at 8:30 in the morning and ends at around 4:00 in the afternoon. Fitness levels and weather conditions permitting, you can possibly ski between 7 to 10 ski runs during the day. Most of the ski runs are around a thousand meters vertical. You can, therefore, expect to log anything between 7,000 to 10,000 meters of vertical skiing on each full day of operations. Back to the hotel, you will be pampered with delicious cuisine especially prepared for exhausted skiers. If in case you would like to have an extension for this heliski trip to explore more of India, you may inform us at the time of your booking.
Price from	€6,850
Access Point	Indira Gandhi International Airport is the arrival point for many visitors into Delhi. Manali is about 550 kilometers from Delhi.
